It's All About Perspective

Hair and Makeup Club

Mrs. Swisher's Hair and Makeup Club gives students an opportunity to experience and encounter beauty and friendships all in one place. This environment gives students a place and platform to make friends and experience beauty all in one. This club provides an opportunity to save money on salons by having their own experience learning all things beauty, at their own pace. Hair and makeup boosts boys' and girls' self-esteem by giving them a way to express themselves and to learn new things. Kamryn says, "Doing hair and makeup makes people feel confident and beautiful."

Crazy Weather

The 2nd semester is back in full-swing at Liberty High School despite fluctuating swings in the temperatures, school delays and cancellations. Students were welcomed back to school with a mixture of snow and sub-zero temperatures. However, some students are focusing on brighter days ahead. Sophomore LaLee said, "I would much rather be outside getting ready for tennis season." Despite the doldrums that a cold winter season can create, freshman Max is enjoying any snow days he can get by utilizing his time off. "I enjoy playing video games, so this time off is nice."

While some students may be concerned about missing school and having to make up days at the end of school, senior Jeramiah does not share those concerns. "Well, as a senior, when we get out of school, we do not have to make up those days. So, I'm not saying I'm rooting for snow days, but..."

With the official start of spring more than two months away, students and staff could be for unpredictable days ahead.

Do You Want to Dance?

Will be you dancing down the hall with this year's spring musical? In 1995 the town of SnapHappy, whose residents love to dance and did so every occasion till the mayor, married a woman who hated dancing, convinced her husband to tax anyone who dances. All of the SnapHappy kids are shocked by the new tax that has been gave to everyone who danced. While the parents of the kids try to cope with the new tax, the kids come together and take a stand. Liberty High School's production will begin with the first shows during school on Feb 27, Feb 28 and March 1. The show will start at 8:30am and end around 12:30pm. The public shows will be on March 2 at 7:30pm, March 3 at 7:30pm and March 4 at 3:00pm. So, come bust a move with the folks of SnapHappy, WV as they fight for their right to dance!

Winter Sports

Although the winter weather has certainly disrupted the athletic schedule, Liberty's winter programs are making the best of the situation.

Despite graduating two swimmers to college programs, the swim team continues to improve their times in each competition. Swimmer Salena said, "After a two-week layoff, I think all of our times have improved. Hopefully, we can keep getting better."

The wrestling team is also dealing with the loss of a large graduating class. Despite the inexperience on the roster, the team is making great strides. Junior Deacon recently won his 100th match, and he has his sights on a return to the state wrestling meet.

The girls basketball team has a young roster, and with the youth comes some growing pains. However, the ladies are working hard and determined to get better with each practice and game.

Although the boys basketball team has several seniors, the team has not played together as much as they would like. Currently at 3-6, the team has lost 4 games while leading into the 4th quarter. Junior Joe said, "We are learning how to win. We are also learning how to play together as a team. I think we'll figure it out by the time sectionals come around."
