

It's All About Perspective

Happy Feet Club

Liberty High School has many great clubs. One of those clubs is Happy Feet. Happy Feet is a club that focuses on fitness and friendship. Students are encouraged to walk and talk with friends, which is a good cardiovascular workout. It is a great way for students to get exercise and socialize in the same environment. Sierra Carder said, "Happy Feet has helped me feel more fit and more in touch with her fellow classmates." This club can help everyone in many ways. Sophomore Thade Kimmel enjoys the opportunity to catch up with his friends while he exercises. "I look forward to Happy Feet because I want to hang out with my friends."

2018 Prom

Liberty High School will hold its 45th annual prom on Saturday, April 28, 2018 from 8-11pm at the Village Square Conference Center in Ballroom A. The theme of the Prom this year is "A Night at the Ritz", which is a Great Gatsby-era theme of the 1920's.

Prom coordinator Mrs. Brunetti expects a big turnout followed by a great evening. "We've had a lot of help and support from different departments."

Guests can expect perennial crowd favorites such as the photo booths, chocolate fountain and opportunities to win prizes.

However, Mrs. Brunetti says guests can also expect several surprises that are sure to be a hit. "We will have Gangsters and Flappers throughout the evening that will entertain students."

Mrs. Brunetti expects a great evening. "We are eager to see everyone dressed up for this year's prom, and I'm really excited to see everything come together."

Come out and enjoy a great 1920's style evening. See why they called it the Roaring 20's.

Broadcast Journalism

Class

Here at liberty we have a variety of different classes for students to enjoy. We have everything from parenting classes to trigonometry classes. There's a class for everyone's interests.

However, there is one class though that's different from them all. Mr. Bode's Broadcast Journalism class. This course is very educational and a good choice if you enjoy being in the limelight! In this class you will learn editing skills, create projects, and of course, produce for Mountaineer Mania. "I really love this class. It gives me freedom of expression," says Parker Matthey who's a student in Mr. Bode's class.

If you think you'd be a good addition to the class make sure to sign up! We are always looking for new talent.

Spring Sports

Spring weather in NCWV is playing havoc with high school sports' schedules across the area.

The softball and baseball teams have experienced many cancellations and re-scheduled games while the tennis team has endured its share of "rain-outs" as well. The track teams usually compete despite the poor weather conditions.

Hopefully, the rain and cold leaves and allows team to finish their seasons strong.
