

**Series 6000 – Community Relations**

**Section 6200 – Agency Relations**

**Policy 6201 – Regional Education Service Agency (RESA)**

6201           Regional Education Service Agency VII

6201.1           The Harrison County Board of Education is a member of and maintains a policy of close cooperation with Regional Education Service Agency VII (RESA VII). This multi- county educational and service agency provides teaching aids, professional services in variable specialized areas, including computer service and repair in accordance with identified school needs of the thirteen county region, coordinates regional school purchasing of supplies and coordinates other programs as provided by law and State Board Policy.

6201.2           The Harrison County Board of Education shall actively participate in the governance of RESA VII by attending RESA board meetings, by authorizing appropriate release time for Harrison County Board employees to attend meetings regarding RESA and by its members and Superintendent serving as members of the board of directors of RESA, as designated by the board and by law.

Approved by Harrison County Board of Education

Effective Date: September 17, 2002
