

Parking Lot

It's as easy as ABC...

Always Be Careful!

MORNING DROP OFF PROCEDURES

Thank you for your cooperation with the new parking lot traffic design. In order for traffic to flow smoothly, it will take everyone following these safety tips:

- Please drive slowly and be considerate of others.
- Drop off lane is on the right side.
- There is NO parking on the right side. Parents who walk their children up the steps must park on the LEFT SIDE.
- The first car should pull up to the crosswalk to unload students.
- 4-5 cars should unload at the same time.
- Students should exit on right passenger side.
- Students should have book bags and all belongings ready for departure.
- Please be sure that your child exits the vehicle quickly.
- Drivers should not get out of their vehicles as this will slow the traffic pattern.
- If everyone follows these guidelines, all students should arrive on time.
- Bus transportation is always an option if you do not want to use the drop off procedure in place.
