(In conjunction with the Snowbird Summer Reading Challenge)

2020

GOAL: 1000 MINUTES!

Can 15 minutes a day really make a difference? Yes!

Our SUMMER READING CHALLENGE will begin in June.

- * Students are asked to read at least 15 to 20 minutes a day and log their time on the back of this sheet .
- * The time can be spread out throughout the day and can be more than 20 minutes.
- * Our GOAL is 1000 MINUTES per student.
- * Students can have someone read to them or read alone.
- * If your children meet the goal they will get to take a TRIP to the Harrison County STEAM room and play games for the entire morning one day in September.
- * Simply return the Reading Log by August 28 to Title I.

HAPPY READING!
