ACKNOWLEDGEMENT OF UNDERSTANDING

In addition to requirements to report suspected cases of child abuse and neglect, House Bill 2939 (effective June 12, 2015) requires that individuals report incidences of sexual offenses on school premises. The following are considered mandatory reporters: Teachers, school employees, coaches, and volunteers.

If a mandatory reporter personally observes or receives a disclosure from a reasonably credible witness of sexual contact, intercourse, or intrusion of a child on school premises, school busses, or other transportation used for school purposes, he/she must immediately report the circumstances to the principal or immediate supervisor and, within 24 hours, report it directly to the Department of Health and Human Services, State Police, and local law enforcement agencies as applicable (Senate Bill 465).

Mandatory reporters do not have to report learning from a witness about or personally observing consensual sexual contact, intercourse, or intrusion between students unless the act involved any of the following: 1) forcible compulsion; 2) infliction of serious bodily injury on anyone; 3) employing a deadly weapon in the commission of the act; 4) sexual intercourse or intrusion with a student who is mentally defective or incapacitated; 5) student 16 years or older engaging in sexual intercourse or intrusion with a student under the age of 16 who is not his/her spouse and is four or more years younger; 6) student 14 years older or older making sexual contact with a student who is younger than 12 years old; 7) sexual contact with a student who is physically helpless.

When the alleged conduct reported to law enforcement is between two students or between a student and school personnel, law enforcement must immediately notify the students' parents/guardian.

A person required to report a case involving a child known or suspected to be sexually assaulted or abused or a student known or suspected to have been a victim of any non-consensual sexual contact, intercourse or intrusion, who knowingly fails to do so or knowingly prevents another person acting reasonably from doing so, is guilty of a misdemeanor punishable by not more than six months in jail and/or a fine not more than \$10,000.

As an employee, coach, vendor, volunteer or volunteer driver of Harrison County Schools, I have read and understand the above information from WV Code 49-2-803 and 49-2-812.
