RE: 2016-2017 NEW Oral Health/Health requirements for Pre-K, Kindergarten,
and 2nd Graders

Dear Parent/Guardian:

According to West Virginia Department of Education Policy 2423 “Health Promotion and Disease Prevention”, all students in **PRE-K** and **Kindergarten** and those progressing into **2nd grade** should have on file, prior to the first day of school attendance, a record of an “**Oral Health**” exam as well as a “**Well Child**” check-up. The examination forms must be signed and dated by the student’s dentist and physician and completed within the prior 12 calendar months. You may use the attached oral health form or you may provide a form from Dentist and Physician. Any questions can be forwarded onto your School Nurse.

Sincerely,

Certified School Nurse
