Diabetic Questionnaire for the School Year: \_\_\_\_\_

Student Name: \_\_\_\_\_ Grade: \_\_\_\_\_ Teacher: \_\_\_\_\_

**On the first day of school there *must be*:**

1. Physician orders for medication or treatment. They can be hand carried into the school or faxed to 304\_\_\_\_\_.
2. Insulin Supplies includes insulin pen or insulin vial and syringes or extra pump supplies.
3. Blood glucose meter kit (includes meter, alcohol pads, gauze, extra meter battery, test strips, & lancing device with lancets).
4. Low blood glucose supplies including Glucagon kit and a fast acting carbohydrate (glucose tabs/gel or other fast acting carbohydrate labeled with student name).
5. High blood glucose supplies including water bottle and ketone test strips.

What was your student's last Hemoglobin A1C reading? \_\_\_\_\_ on \_\_\_\_\_. A1C is the lab value for blood glucose control during the previous 3 months.

What concerns or questions do you have about your child's diabetes management while at school? \_\_\_\_\_

Any emergency contact numbers in addition to guardian: \_\_\_\_\_

Will you be accompanying your student on field trips? \_\_\_\_\_

Please understand that because your student has a potentially life threatening medical condition they must submit these forms **prior** to starting school every year. This allows us to assure your child is safe at school. Please feel free to call the school nurse with any concerns or questions. I'm looking forward to a great year with your student!

Sincerely,

## Parent/Guardian Authorization

I understand the following:

- \*Medication must be brought by an adult to the school in the original container and properly labeled with the child's name.
- \*The licensed prescriber may be contacted concerning the medication order for reasons including, but not limited to clarification, effectiveness, administration time, dosage, discontinuation, or new medication order.
- \*Medication administration and procedures may be delegated to school personnel who have been trained by and remain under direct or indirect supervision of the school nurse.
- \*A photograph of my child may be taken to assist in the correct administration of my child's medication.
- \*Information may be shared with appropriate school personnel to insure the safety of my student.
- \*it is the parent/guardian responsibility to replenish long-term and emergency medications as needed and retrieve unused or expired medication from the school.
- \*At no time will non-emergency medication be sent home with the student. It will be the responsibility of a parent/guardian to pick up all remaining medications from the school.

I hereby give permission for my child to receive medication at school per the Harrison County Schools Medication Policy and as ordered by my child's licensed prescriber. I have read and understand that Harrison County Board of Education and its employees are exempt from any liability, except for willful and wanton conduct.
