*Superintendent*

April 30, 2020

After time and discussion with high school principals, we have decided our next steps in honoring our seniors while maintaining the best safety precautions for our community.

In adherence with social distancing and CDC guidelines, new procedures are in place that will allow graduation ceremonies to be held and take place safely.

Each family will receive two tickets per graduate. This new procedure is based off of CDC and Clarksburg-Harrison Health Department recommendations. The graduation will be broadcasted live for all other family members to see.

Tickets will be made available through school principals at graduation practices. Schools will be releasing information to students on dates and times of graduation practices at a later date.

Graduation ceremonies will take place at school football stadiums with the exception of United High School. United High School's ceremony will take place in the parking lot of United Technical Center.

### **Graduation Ceremony Dates:**

Bridgeport High School, June 27, 9 AM; rain date June 28 at 9 AM  
Liberty High School, June 25, 9 AM; rain date June 26 at 9 AM  
Lincoln High School, June 27, 7:30 PM; rain date June 28 at 11 AM  
Robert C. Byrd High School, June 26, 7 PM; rain date June 27 at 11 AM  
South Harrison High School, June 25, 7 PM, rain date June 26 at 11 AM  
United High School, June 22, 6 PM; rain date June 23 at 6 PM

In the best interests of our students and community members, we have decided to cancel all prom events this year. After much thought and consideration, we do not feel prom events can be held in adherence to CDC guidelines.

Plans for graduation ceremonies are still contingent upon the Governor lifting the Stay At Home Order.

Stay safe and well,

Dr. Manchin
