

Harrison County Schools is utilizing School Cash Online for ticket sales to athletic events in addition to many other items this year.

The link to get registered or to login and purchase tickets is <https://hcschools.schoolcashionline.com/>

Registration is quick and easy, and once you are registered, just look for the athletic item under your students tab online.

Once you find the athletic event, just click the number of tickets in the quantity box that you want to purchase. REMEMBER CURRENTLY THE WVSSAC IS LIMITING SPECTATORS TO HOUSEHOLD MEMBERS OF THE STUDENT ATHLETES AND BAND STUDENTS ONLY.

The county will still be honoring free entry for Harrison County Students, School Employees, and Senior Citizens from our levy funding. If your family is purchasing tickets online, you can also choose the free entry box for a student or employee etc. If everyone in the household qualifies to attend for free (student, employee, senior citizen), then you do not need to do anything online because there is nothing to purchase. Bring your IDs/Badges with you for entry to the game. Several schools have also provided a household pass to family members that you will also need to bring to games for entry as well.
