January 4, 2018

Dear Parents and Guardians,

As we continually work to improve communications with our families, Harrison County Schools is expanding its communications to include SMS text messages using SchoolMessenger. SchoolMessenger is used by central office and school administration to communicate in emergency situations as well as inform parents of day-to-day progress and school events.

We will only send text messages to cell phone numbers whose recipients have agreed to receive them. We invite you to fully participate in the process by opting into SMS Text messaging on Monday, January 8, 2018. Please review the following steps:

1. An Opt-in invitation will be sent, via text message, to all current cellular users on Monday, January 8, 2018, at 7 pm. The invitation message will come from 67587 or 68453.
2. If you wish to receive SMS Texts from Harrison County Schools, simply send a reply containing "Y" or "yes" to verify.
3. If you do not wish to receive SMS texts from Harrison County Schools, simply send a reply containing "stop."

**Text messages can be started or stopped at any time, by simply texting "yes" or "stop" to 68453.*

If you have further questions, please call the Harrison County Schools Office of Technology Help Desk at 304-326-7777.
