Dear Parent or Guardian:

Harrison County will continue to be enrolled in the Community Eligibility Provision (CEP) available to schools participating in the National School Lunch and School Breakfast Programs for school year 2017-2018.

A school is supposed to be at 40% direct certified in order to qualify for the Community Eligibility Provision.

On the cut-off date, April 1, 2017 Bridgeport area schools direct certified percentages were:

Bridgeport High	12.42 %
Bridgeport Middle	15.06%
Johnson Elementary	16.55%
Simpson Elementary	25.34%

Accordingly, these schools will not be enrolled. However, we will continue to offer free meals to any family that applies and qualifies under either the "free" or "reduced" meal category. Meal applications are available at www.wvschoolmeals.net

General Information:

- 1) If you have any children in your household enrolled in one of the schools above, then you would need to submit a meal application at www.wvschoolmeals.net
- 2) If your household has children enrolled in a CEP participating school and also children enrolled in one of the schools listed above then you would need to submit a meal application at www.wvschoolmeals.net
- 3) If you qualify for meals in the reduced category we have decided to provide those meals free also. **We encourage everyone to apply.**
- 4) If you prefer, paper applications are available at your school or the Board Office.

If we can be of any further assistance, please contact us at the Harrison County Child Nutrition Department, (304) 326-7348 or (304) 326-7341.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mark A. Manchin".
