

STEAM Nights

Semester Membership Program

Beginning 8/26 - Clarksburg location Registration NOW OPEN

STEAM Nights Membership is a pilot program designed by Learning Options, Inc. to meet the needs of families looking for academic enrichment experiences. This pilot program will be offered in our NEW Harrison County location (445 W. Main St. Room 299-A Clarksburg, WV).

STEAM Nights Semester Membership offers 1.5 hour classes 3 nights each week and a monthly 3-hour Science Saturday Workshop. Attend as many or as few classes as you want with this membership. Learning Options, Inc. strives to spark excitement and interest in different topics.

Tuition Assistance application in every program registration!
